

FA15-SERIES

Open Cell Impact Absorbing Foam

Product Description

EndoChem FA-Series foam is a open cell polyurethane foam with excellent damping properties and low compressive force.

Features

- High Damping Material
- Low Compression Set
- Halogen Free
- ROHS

Structure

Applications

EndoChem FA-Series foam is typically used for electronic applications requiring protection against shock and vibration while providing little push back force within the applied environment.

Typical Properties

Available Thickness (mm)	1.50+
Density (kg/m ³) ASTM D3574	75
Asker F Hardness JIS K6400	15
Tensile Strength (KPa) ASTM D3574	≥ 45
Tear Strength (kN/m) ASTM D3574	≥ 0.23
Elongation (%) ASTM D3574	≥ 180
Compression Set (%) 25°C @ 50% RH for 22hrs	< 2
Peak Damping @ 10Hz	1.00 @ 15°C
Operating Temperature (°C)	0 to 70 °C
RoHS Compliance	Yes
REACH Compliance	Yes
Halogen Free	Yes

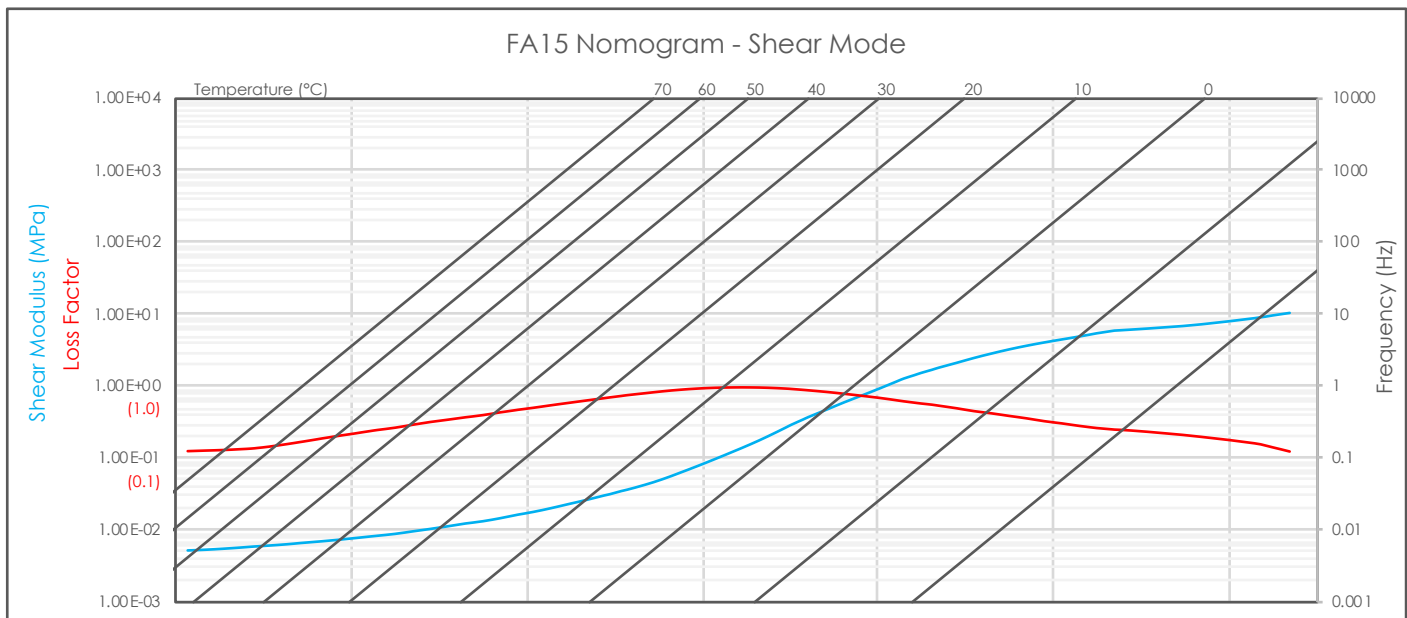

FA15-SERIES

Open Cell Impact Absorbing Foam

Typical Properties Continued

Compression Load Deflection - ASTM D3574	
Force at 10% compression (kPa)	1.32
Force at 20% compression (kPa)	1.59
Force at 30% compression (kPa)	1.75
Force at 40% compression (kPa)	1.94
Force at 50% compression (kPa)	2.23
Force at 60% compression (kPa)	2.80
Force at 70% compression (kPa)	4.36
Force at 80% compression (kPa)	10.20

Storage and Shelf Life

Recommended storage in a temperature controlled room at 18-25°C with a 50% nominal relative humidity. Under these conditions, shelf life is good for up to 12 months from the date of manufacture.

Warranty and Disclaimer: The user is solely responsible for evaluating the product and determining whether it is acceptable for use and suitable for the user's method of application. EndoChem warrants that each product meets the applicable EndoChem product specification at the time of shipment. If the EndoChem product does not conform to this warranty, then the sole and exclusive remedy is, at EndoChem's option, replacement of the product or refund of the purchase price.

Limitation of Liability: Except where prohibited by law, EndoChem will not be liable for any loss or damage arising from the EndoChem product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.
